LAST NIGHT'S COUNCIL.

THE AMENDMENTS CONSIDERED.

Five Sections Recommended to be Referred Back to the Special Committee—Unfinished Work.

The Common Council met last evening in special session, Ald. Gilbert presiding. Ald. Albright, Killen and Pierce were absent. On motion of Ald. DeGraaf, the Council went into a committee of the whole, to consider charter amendments, and Ald. Palmer was called to the chair. The chairman announced that the section to be taken up in the order of amendments was section eleven. The clerk read the section proposed, and after some discussion over it, by Ald. Gilbert and Mr. Brown of the Board of Equalization and Review, the proposed amendment was stricken out, leaving the section as it was.

Title 6, Section 4, of the amendments, in which a change was proposed so as to authorize Councils to designate from one to three persons to act with the Board of Equalization in certain contingencies in making out assessment rolls, and to employ clerical assistants when necessary, was then taken up. Mr. Brown said if the rolls were to be made out in part by the Board of Review and a part by these commissioners to be appointed, it would be inviting confusion and open the gates for litigation and no end of delays and trouble. Ald. Gilbert said no commissioners would be appointed except when the Board was back with its work. Clerk Belknap addressed the Committee and held that with the exception of the past year, during which time the Board had been somewhat unfortunate, there had been no time it had failed to be on time with their work; and such an occurrence as the recent one might not arise again in twenty-five years. Mr. Brown, speaking officially as he said, for the Board to which he belonged, said the first seven lines of the proposed amendment only were objectionable, and on motion of Ald. DeGraaf those lines to the word "if" on the eighth line of the second paragraph were stricken out. Section 4, same title, was approved as amended.

Section 10, same title, to regulate and prescribe in the matter of the collection of taxes, led to a spirited discussion, especially upon the question of added interest for want of prompt payment, the periods of extension and the time when a property should be sold for the payment of taxes. Col. Jos. Penny addressed the Council several times upon the question, quoted a similar, but as he claimed, improved provision in the charter of the city of Rochester, N. Y., and urged that a provision embracing its salient points be adopted. The section was finally recommended to be reported to the Council for further consideration by the special committee on charters. Sections 28, 30, 36 and 37, were directed to take the same course. Section 29 was approved as recommended. The committee then rose and through the Chairman reported progress and the action of the committee. Ald. Gilbert announced a meeting of the Special Committee for Friday evening, and Ald. More, of the Committee on Ordinances, for Thursday evening. Adjourned.

A HAPPY EVENT.

The Marriage of Mr. J. J. Sours and Miss Mamie Wykes.

The frosty air, the joyful spirit incident to the anticipations of the ensuing week, and the sleigh bells and the marriage bell intermingled in making the home of A. B. Wykes, Esq., 165 Lafayette street, the scene of one of the happiest events in the city last evening, the occasion being the marriage of Miss Mamie Wykes and Mr. J. J. Sours. The house was profusely ornamented with appropriate decorations. In the library was stationed an orchestra which lent additional charm to the ceremony and reception by discoursing several selections which, in sentiment, seemed to have been selected with special reference to what was transpiring in the adjoining rooms. Miss Maggie Strahan, of this city, and Miss Mae E. Turner, of Jackson, were the bridesmaids, and Messrs. Fred Leonard and Arthur Denison the groomsmen. Upon the conclusion of the ceremony, which was performed by Rev. Dr. Graves, a reception and an elegant collation by Kuhn, the caterer, followed next in order. The presents were numerous and elegant, comprising silverware, china sets, etc. There was a large assemblage of friends of the contracting parties present, all of whom were happy in their congratulations and good wishes. Mr. and Mrs. Sours will be "at home" at 83 Coit avenue after the 25th inst.

The Theater To-Night.

The "Planter's Wife" will be produced for the first time in this city at Redmond's Opera House, this evening. It was produced in Kalamazoo on Monday, and the following comment is taken from the Telegraph of that city:

There was a much pleased audience at the Academy of Music to witness the presentation, by Harry Lacy and his excellent company, of the very effective drama above named. Mr. Lacy played the character of Capt. Graham made a most pleasing impression, her person, voice, action, all commending her. She was called before the curtain at the end of the second act. She certainly filled the role of the planter's wife admirably, especially in the trying and emotional parts, equal to the demands of the situation.

Roland Reed.

Extended notice on the reappearance of Roland Reed in his ever popular "Cheek," is needless for any further than the announcement of the date, which is to-morrow evening, at Powers' Opera House. Says the *Inter Ocean*:

Mr. Roland Reed appeared last evening in his amusing character of Dick Synthe in "Cheek." A short time ago, when this place was produced here, it achieved an unequalled success; it is full of lively incident, pleasing character, humorous phrases, and has many novelties to strengthen it. The part of Dick Synthe is admirably adapted to Mr. Reed, who is an eccentric comedian of unusual power and effectiveness, and he plays it with a heartiness, freshness and vivacity that makes the performance thoroughly enjoyable. The play is charmingly put on the stage, great care having been bestowed upon the special scenes by the actors of the theater.

THE TEMPERANCE CAUSE.

Words of Mutual Encouragement Among the Ladies.

The reception given by the ladies of the local W. C. T. U., at the Eagle Hotel, last night, in honor of the members of the State W. C. T. U. visiting in the city, was well attended, the ladies predominating. It was a cold night, the mercury floating nearly at zero, but this did not freeze the order of the temperance cause in the tongues of the ladies who participated in the reception, particularly Mrs. Mary T. Lathrop, of Jackson, President of the State Board, Woman's Christian Temperance Union, who delivered a sensible and stirring address in behalf of the cause, in which she said that the children were now born who would see the abolition of legalized liquor traffic; that distilleries and saloons would be done away with. Every woman would work and persist to this end, as they had the welfare of their children at heart. Upon the conclusion of Mrs. Lathrop's remarks Mrs. J. M. Kinney, of Port Huron made few remarks substantially seconding the remarks of the lady who preceded her; Dr. Taylor, of Texas, read a humorous selection. He was followed by brief remarks upon the cause, its success, etc., by Mrs. Norman Bailey, of Hastings. Miss Ransom, of the Conservatory of Music at Oberlin, Ohio, sang a song which was received with enthusiasm. Judge Tatem made a few remarks characterized by moderation, good sense, and encouragement for the continuance of the good work. It was a pleasant, social gathering, and was heartily appreciated by those present who had braved the elements to have a good time and lend countenance to a cause they believed right.
